"...we visited almost every sales office in Victoria, so it was such a relief when we found Bridgefield — just what we were looking for."

Purchasers find 'forever home' at Bridgefield

Bridgefield has welcomed a record number of purchasers over the past six months, so it's no surprise that Melbourne couple, Janelle and Zoran, grabbed their slice of Bridgefield while they could.

The couple had been looking for a place to call home for over two years, spending weekends travelling to estates and display villages across Melbourne in the hope of finding their perfect 'forever home.'

Janelle said their quest to find the right place to call home was long but well worth the wait. "It really does feel like we visited almost every sales office in Victoria, so it was such a relief when we found Bridgefield — just what we were looking for."

It was one of Janelle's friends who referred her and her partner to Bridgefield, and from the moment they entered the sales suite they felt a sense of warmth and knew they were in the right place.

Describing Bridgefield as a friendly, beautiful and centrally located community, Janelle said she tells all of her friends and family how great Bridgefield is in the hope that they too decide to purchase a home there.

"Our land sales agent, Zak, and his team have been excellent throughout the whole process. They really made us feel at ease and answered all the questions we had."

It was the strong sense of community that attracted Janelle and Zoran to Bridgefield, along with security features and amenities that were too good to pass-up.

"Knowing that there will be security cameras dotted throughout the neighbourhood makes us feel safe already — it's very reassuring to be a part of a secure community."

In a twist of fate, Janelle and Zoran met their future neighbours while signing their contract — a nice surprise which made the process "even more delightful," Janelle said.

"We just happened to be signing our contracts at the same time as our future neighbours, so it was great to have a chat and find out a little bit about them," Janelle said.

Delighted with the smooth process of purchasing and with Bridgefield's close proximity to the Rockbank Train Station, schools, parks, shopping and Residents' Club, Janelle and Zoran said they can't wait to move in to their new home.
